RE: Application 04JE1038 CERCLA earthworking activities

Dear Mr. Nininger:

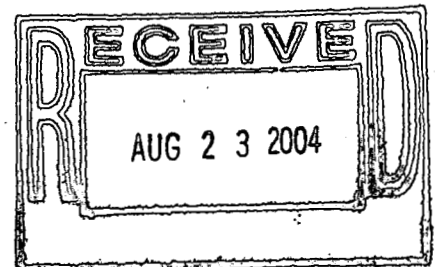

I have made a preliminary review of your application for the above referenced source. It has been found that additional information is required as indicated below:

1. What is the total acreage of the disturbed areas subject to wind erosion?

The application will be held until receipt of the required information, at which time processing will continue. If you have any questions please give me a call at (303)-692-3168.

Sincerely yours,

R K Hancock III
Public Health Engineer
